Key Features

Compatible with Google Workspace and Microsoft 365

You can prepare resources anywhere at any time

Designed for hybrid learning

Students can participate in and out of the classroom

Free apps and software

Cleverstore, LYNX Whiteboard

Screen mirroring for 50 devices

With 6 mobile devices shown on your IMPACT Plus - Clevershare

Full screen digital signage capabilities

ClevertouchLive App

Customise your home screen

With your school's colours, logos, photos and preferred apps and software - ClevertouchLive

Control and troubleshoot remotely

Via MDM Remote Management

Elevated connectivity

Latest generation USB-C for charging and ethernet, plus all other connectivity ports for connecting a range of devices.

Save time lesson planning with subscription-free software

Send messages, alerts and media to all of your Clevertouch screens remotely.

Screen mirroring with built-in teacher controls

High Precision Technology

Apps for Blended Learning

Making integration and installation easier

IMPACT Plus Gen 2 Available in a range of sizes

55" | 65" | 75" | 86"

Super Wide Sound

45W Max Power for room-filling sound.

4K

True 4K resolution and sharper user experience throughout.

Cloud Accounts

Sync with your Cloud accounts so that you can work anywhere at any time.

 Google Drive  OneDrive

High Precision Technology

Our patented Super Glide Touch technology offers the most fluid writing experience on a touchscreen. It's as smooth as writing on a whiteboard – with no lag. With the ability to differentiate between palm-erase, fingertouch, and stylus-writing, there's no need to change settings mid-flow.

Security Matters

We know how important it is to be secure, so we've got lots of options for you to keep control of your device. Clevertouch can run on-or-off the network. Settings, apps and Android can all be disabled. Data can be wiped at the end of a session and the screen can be locked with a secure passcode.

What's

Zero bonding - no air gap gives greater accuracy, improved performance and vibrant imagery

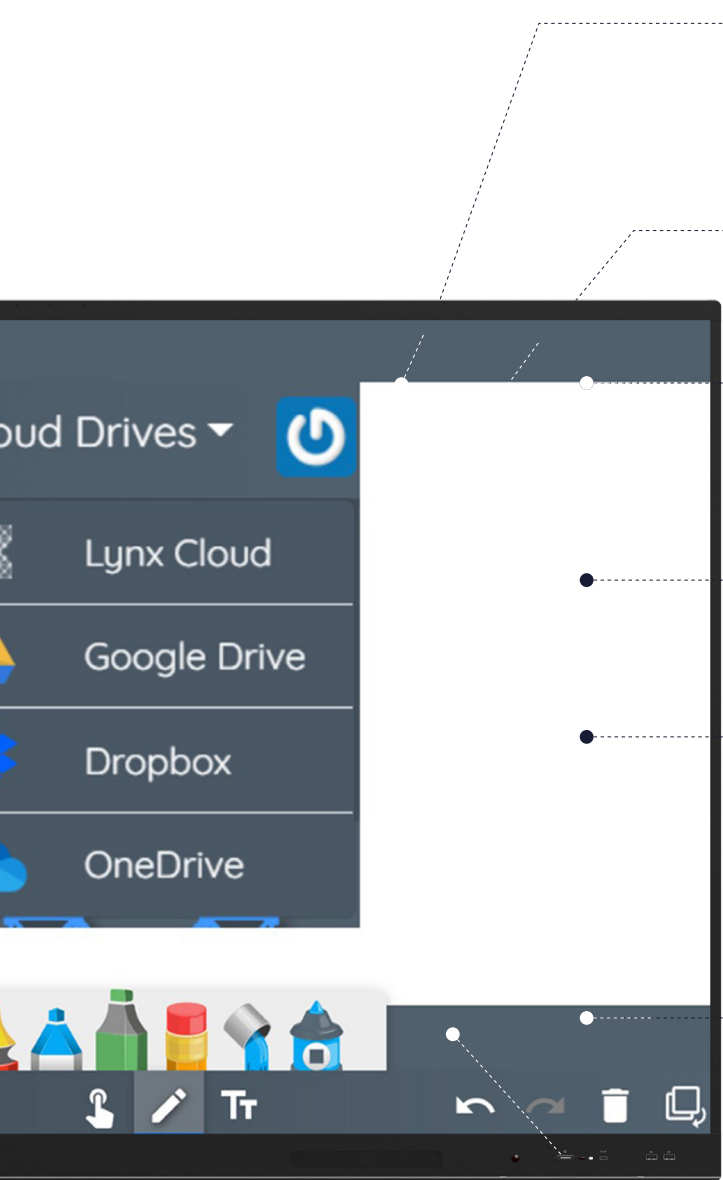

Android 9 4K Chipset – 6GB RAM / 64GB ROM

Front-mounted latest-generation USB-C – allows switching between any device

Front-facing speakers and subwoofer for clearer, more powerful quality audio

- **New super cool stylus**
Comfort stylus to aid teaching
- **Microphone**
Built-in line array microphone.
- **Cleverstore**
Access hundreds of free teaching apps to make lessons more engaging.
- **Comprehensive Warranty**
No ongoing subscription charges.
- **Infinity Whiteboarding**
Never run out of space with our infinite canvas. With numeracy tools, handwriting-to-text recognition, and the ability to insert images and shapes, all of which can be saved, printed or shared to student devices.
- **Connectivity**
Huge connectivity including the latest USB-C port.
- **Environmentally Friendly Motion Detection**
Equipped with Proximity Sensors your Clevertouch will power off when no one is detected in the room.

New?

Upgraded 6 array microphone

Ambient light sensor

Front-mounted power button

Front-mounted USB-A port

Intelligent Camera

Upgrade your IMPACT Plus Gen 2 with an Intelligent Camera

- Slots onto the bottom of your IMPACT Plus Gen 2
- 4K camera gives crystal clear vibrant images and video, capturing the entire room
- Swivel pulley allows you to nudge the pitch angle of your lens
- Security cover included

Optional Extra

Sign in with ease

The intelligent camera contains a built-in NFC sensor and a RFID sensor.

Use either an NFC card to sign-in in seconds, giving you access to your favorite apps, your Cloud accounts, and your preferred settings.

Keep track of your environment

For the comfort and safety of your teams, our sensors keep track of air quality, light, temperature and humidity.

Press a button on your IMPACT Plus Gen 2 to instantly see your environmental data.

Coming Soon

View the data of all of your screens via ClevertouchLive. If the environment is not ideal, send an automated message back to your IMPACT Plus Gen 2 with an instruction for the people in the room.

Use the data to better plan for your heating and air conditioning, and save money on unnecessary heating measures. Sync your account with your RFID fob.

Quick Launch Menu for instant teaching tools

Your most commonly used apps are available with one touch and are easily accessible via the Quick Launch Menu.

The Clevershare App is free to download and compatible with Android, Windows, iOS and Chrome devices. Up to 50 devices can connect with the Clevertouch screen and share content – images, video, and audio. The presenter has full control over what is shared, and can show up to 4 device screens simultaneously, increasing student collaboration and participation within every lesson. Now includes touch-back.

Make notes, diagrams or images, add and scroll through multiple pages, insert an image or change the background colour. Now includes handwriting and formula recognition.

Double click on files to open them, as well as easily copy, cut and paste, so it's just like using a PC. Personal Cloud Storage integration.

Explore the internet without needing a computer, using the IMPACT™, Chrome and Chromium browsers.

Cleverstore contains hundreds of apps in all subjects and a range of languages, including literacy, STEAM and languages. Each app is tested by our team, to make sure no adverts, in app purchases, or inappropriate content gets through. We've partnered with the most popular educational app developers to give you apps that you can really make use of in the classroom.

Easily go back to recently used apps using the Active button with split-screen mode.

Protect your Clevertouch with a password by using Lock.

All of your integrated and Cleverstore apps can be found here.

All your favourite apps in one place, including Settings.

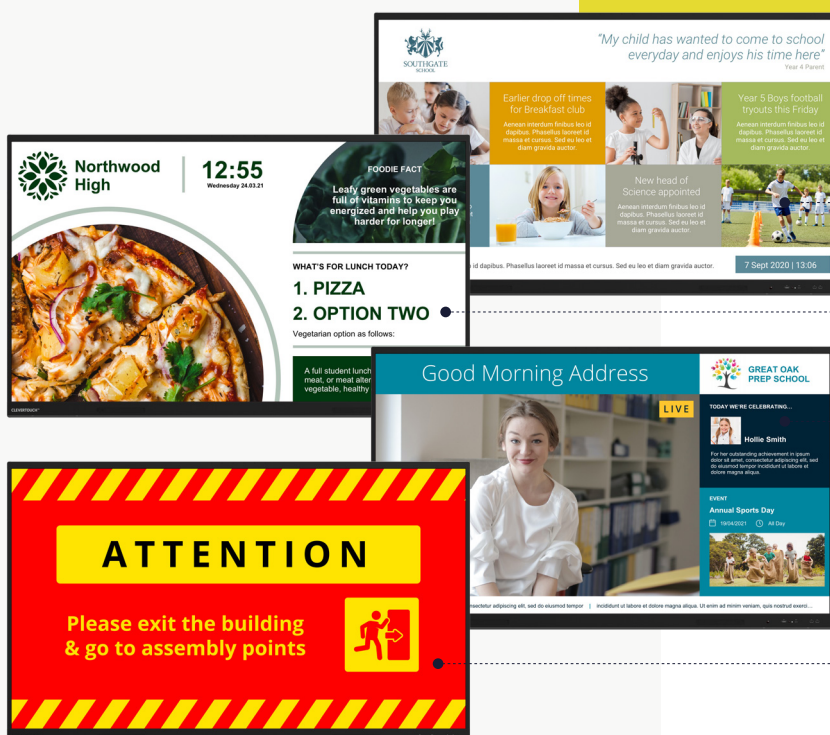

Exclusive to Clevertouch

ClevertouchLive App: Messaging

With ClevertouchLive App your IMPACT isn't just a screen for teaching or presenting, it's also a communications tool. Use it to broadcast messages, alerts and important information to students, staff and visitors.

Flexible Messaging Solutions

- Daily news and activities
- Weekly lunch menu
- Live video messages from the school office
- Emergency announcements and fire drills

Dynamic and integrated

ClevertouchLive: Home Screen

Customise your home screen so it's unique to your school or district. With the ClevertouchLive App, you can group screens so they are representative of your messaging and create user and group profiles.

Personalise your launcher page

- Group by subject, schools, age group, campus, district and more - it's totally flexible
- Show the apps you want. Either from the Cleverstore, or add your own
- Lockdown settings so teachers have to stay within your guidelines
- Add your school logo, colours and background images
- Custom clocks

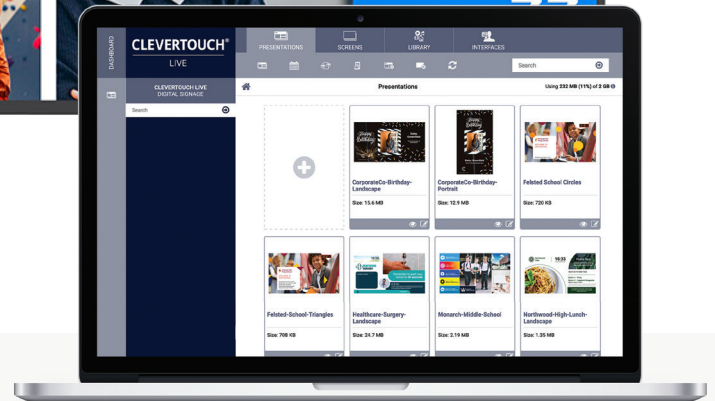

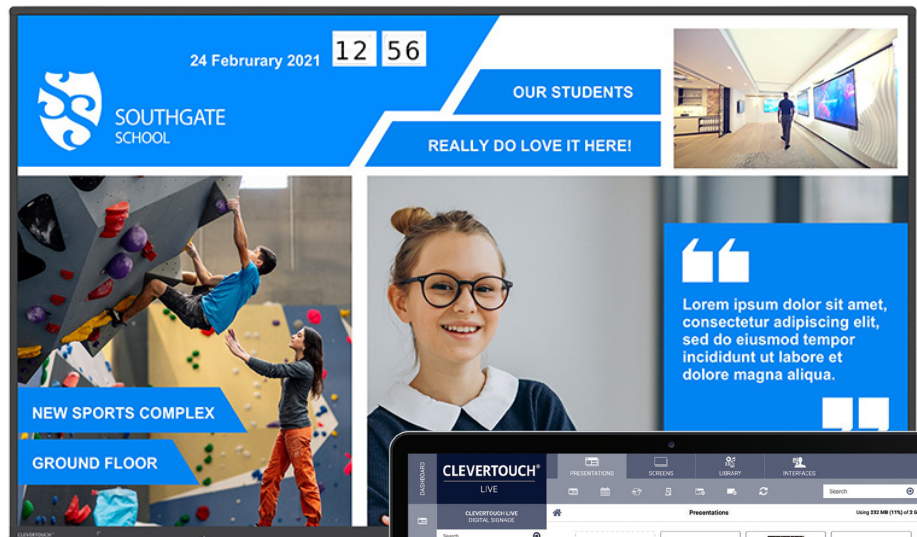

It's simple!

- 1** Go to ClevertouchLive
- 2** Sync your IMPACT screen
- 3** Choose your UI layout

Create teacher or group profiles
Log into any connected screen in your district and get your apps, home screen, settings and more.

Dynamic and integrated

ClevertouchLive

ClevertouchLive is the Content Management System Platform (CMSP) for all Clevertouch Technologies innovations.

Personalise your launcher page

- Display digital signage messaging when it's not in use.
- Add apps from the Cleverstore or upload your own apk files – send to all your interactive displays without needing to manually install them on individual screens.
- Send alerts and announcements to your audience.
- Weather warnings, stranger alerts, fire alarms.
- Call staff/students to other locations.

Increase Student Engagement

Cleverstore

It's easy to hold students' attention when there's something new on the screen. We've hand-picked apps from educational app developers that support Common Core State Standards in the US and the National Curriculum in the UK.

Apps for everyone

With apps for all ages and in most subjects, there are loads to choose from to help support your lessons. From Coding to Math, Literacy, and Science, as well as games and stories, Cleverstore has everything you could need.

Dual language

Not only are most of our apps available in a variety of languages, but some also support dual language, allowing you to teach languages such as French, Spanish, and German as you go along.

A store you can trust

Our App Team checks every app that's submitted to the store so there is no inappropriate content. We want to enable teachers to download apps as lesson resources – so all apps are suitable for the classroom.

Clevershare

Collaborate with ease - connect up to 50 devices, including phones, tablets and laptops. Screen mirror with images, video and audio.

With touch-back for two-way control, the presenter has full control over what is shared and can show 6 screens simultaneously, increasing collaboration and participation within every session.

Share content with any device

Up to 50 devices can connect with the Clevertouch screen and share content – images, video, and audio. Now with touch-back for two-way control.

The presenter has full control over what is shared and can show up to 6 device screens simultaneously, increasing collaboration and participation within every session.

Mastering Mode

This optional mode will allow you to manually accept or reject from the Clevertouch screen when someone attempts to connect via Clevershare.

Chromecast and Airplay

There is an optional button you can swipe in the settings that will allow you to natively connect your device this way.

Clevershare App

Any device can download the Clevershare App and connect instantly by typing in the code on the Clevertouch screen. Clevershare App is free to download and compatible with Android, Windows, iOS, and Chrome devices.

Clevershare Dongle (optional extra)

Use the USB-C Clevershare dongle to share content. No need to download any app or driver, so ideal for companies that do not allow downloads to devices.

How to connect

You can connect via the Clevershare App if your device is on the same Network as the Clevertouch. Use Advanced Mode for additional encryption and dual sub-networks. There is a Hotspot option if you are unable to use the network.

Optional Extra

Clevershare Dongle

- USB-C connection
- Compatible with IMPACT Plus
- Works in conjunction with the Clevershare App

Clevershare App

- Works on any device
- Free to download
- Compatible with Android, Windows, iOS & Chrome Devices

Whiteboarding made easy with a huge selection of pen & art tools to choose from

LYNX Whiteboard

The most dynamic, intuitive user experience of any whiteboard – completely redesigned for a touchscreen, with drag and drop, pinch to zoom, and easy swipe menus.

Captivating Lessons

Natural handwriting

Our new pen type allows users to have a more natural feel to their writing. Pressure and velocity will help to decide the thickness of the line as the user writes – like a real pen.

Multi-Purpose

Split the screen so that you can look online while your lesson is open, and drag content across.

Dual Pen

Two users can choose different pens, or different tools, and use them simultaneously, providing a more natural feel.

Increase student Engagement

Search videos from YouTube, images from Unsplash, panoramic images – all without leaving your app. Safe Search enabled, ensuring content is suitable for children.

Get Creative

With dozens of teaching tools at your fingertips.

Fun, Shareable Activities

Create your own activities with customizable content. Activities will automatically be saved to your LYNX Cloud, so that you can share them with colleagues.

Collaborate with ease

Students can scan a QR code with their personal device and either join the activity during the lesson, or save it to do at home.

Quickly switch formats

Convert files from Office formats into LYNX files, ready to be used within LYNX. Word, Excel and PDF files can easily be converted. Drag interactive whiteboard or Smart Notebook files in bulk and they will automatically convert into a LYNX file.

Cloud access for distant learning with LYNX Whiteboard

Hundreds of tools to increase student engagement in a blended learning environment.

Access the cloud & Log in from anywhere

Create lessons on the go, at home, or in another classroom, on any device.

Your school can set up a LYNX Cloud account, so content and resources can be shared.

Great for distance learning

Set work, deploy and give students their own log-ins.

Download & Upload

Log into any Clevertouch and download your LYNX files, great if you aren't in your usual classroom.

Set Homework

Set homework activities for your students

Sync with other cloud-based drives

Get content from Dropbox, OneDrive, LYNX Cloud or Google Drive and input it directly into your lessons

Take Control

Remote Management

IT departments & administrators can take control, without needing to leave their office. Control multiple Clevertouch devices by linking your entire fleet of Clevertouch screens to your Remote Management MDM account, so that you can control them from anywhere.

Update or remove apps

With the functionality to add .apk files to some or all of your Clevertouch displays, your organisation can always have the latest apps available to use.

Over-The-Air updates

Our OTA updates are just one click away to get the latest firmware on your screen. We will never charge you for firmware updates.

View status information

IT managers can troubleshoot without needing to leave their office. Look up individual Clevertouch screens, view the display in realtime, edit settings, or restart devices remotely.

Group and tag

If you have a group of screens being used by a certain department, you can deploy the same apps and settings, so that there is a standardized experience for everyone in that department.
